## Cisco

### Securing Networks with ASA Advanced

Visit: <http://www.pass4sureofficial.com/exams.asp?examcode=642-515>

Pass4sureofficial.com is a reputable IT certification examination guide, study guides and audio exam provider, we not only ensure that you pass your 642-515 exam in first attempt, but also you can get a high score to acquire Cisco certification.

If you use pass4sureofficial 642-515 Certification questions and answers, you will experience actual 642-515 exam questions/answers. We know exactly what is needed and have all the exam preparation material required to pass the exam. Our Cisco exam prep covers over 95% of the questions and answers that may be appeared in your 642-515 exam. Every point from pass4sure 642-515 PDF, 642-515 review will help you take Cisco 642-515 exam much easier and become Cisco certified. All the Questions/Answers are taken from real exams.

Here's what you can expect from the Pass4sureOfficial Cisco 642-515 course:

- \* Up-to-Date Cisco 642-515 questions taken from the real exam.
- \* 100% correct Cisco 642-515 answers you simply can't find in other 642-515 courses.
- \* All of our tests are easy to download. Your file will be saved as a 642-515 PDF.
- \* Cisco 642-515 brain dump free content featuring the real 642-515 test questions.

Cisco 642-515 certification exam is of core importance both in your Professional life and Cisco certification path. With Cisco certification you can get a good job easily in the market and get on your path for success. Professionals who passed Cisco 642-515 exam training are an absolute favorite in the industry. You will pass Cisco 642-515 certification test and career opportunities will be open for you.

**QUESTION: 1**

Refer to the exhibit. You are configuring a Cisco ASA security appliance to participate in a VPN cluster. Based on the exhibit, to which value would you set the priority to increase the chances of this Cisco ASA security appliance becoming the cluster master?

**Configuration > Remote Access VPN > Load Balancing**

Participate in Load Balancing Cluster

VPN Cluster Configuration

All servers in the cluster must get an identical cluster configuration.

Cluster IP address:  UDP port:

Enable IPsec encryption

IPsec shared secret:  Verify secret:

VPN Server Configuration

Public interface:  Priority:

Private interface:  NAT assigned IP address:

As a VPN cluster master, this device can send a fully qualified domain name (FQDN) using reverse DNS lookup of a cluster device, instead of its outside IP address, when redirecting VPN client connections to that cluster device.

Send FQDN to client instead of an IP address when redirecting

Note

All of the outside and inside network interfaces on the load-balancing devices in a cluster must be on the same IP

- A. 0
- B. 1
- C. 10
- D. 100

**Answer: C**

**QUESTION: 2**

Refer to the exhibit. You are the administrator of multiple remote Cisco ASA security appliances, which are administered through Cisco ASDM. You recently configured one of these Cisco ASA security appliances for SSL VPNs and are requiring a client certificate, as shown. How would this configuration affect your next ASDM connection to this Cisco ASA security appliance?

**Configuration > Remote Access VPN > Network (Client) Access > SSL VPN Connection Profiles**

The security appliance automatically deploys the Cisco AnyConnect VPN Client or legacy SSL VPN Client to remote users upon connection. The initial client deployment requires end-user administrative rights. The Cisco AnyConnect VPN Client supports the HTTPS/TCP (SSL) and Datagram Transport Layer Security (DTLS) tunneling options.

(More client-related parameters, such as client images and client profiles, can be found at [Client Settings](#).)

Access Interfaces

Enable Cisco AnyConnect VPN Client or legacy SSL VPN Client access on the interfaces selected in the table below

Interface	Allow Access	Require Client Certificate	Enable DTLS
outside	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>	<input checked="" type="checkbox"/>
dmz	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
inside	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Access Port:  DTLS Port:

[Click here to Assign Certificate to Interface.](#)

- A. You would be asked to present an identity certificate. If you did not have one, the Cisco ASA security appliance would prompt you for authentication credentials, consisting of a username and password.
- B. Your connection would be handled the way it is always handled by this Cisco ASA security appliance.
- C. You would be required to download the identity certificate of the remote Cisco ASA security appliance.
- D. You would be required to have an identity certificate that the Cisco ASA security appliance can use for authentication.

**Answer:** D

**QUESTION:** 3

Refer to the exhibit. You are the administrator of a corporate Cisco ASA security appliance with a Cisco ASA AIP-SSM. You have been tasked to deploy the AIP-SSM to protect corporate DMZ web servers. The AIP-SSM has been configured, and a service policy has been configured to identify the traffic that is to be passed to the AIP-SSM. On which two interfaces would application of the service policy for the AIP-SSM be most effective while causing the least amount of impact to Cisco ASA security appliance performance? (Choose two.)

- A. Inside interface
- B. Dmz interface
- C. Internet interface
- D. Globally on all interfaces
- E. Outside interface

**Answer:** B, E

**QUESTION:** 4

Refer to the exhibit. You are configuring the Cisco ASA security appliance as the hub in a hub- and-spoke site-to-site VPN. Which of these configurations will enable traffic to flow between spokes?

A.

## Pass4SureOfficial.com Lifetime Membership Features;

- Pass4SureOfficial Lifetime Membership Package includes over **2500** Exams.
- **All** exams Questions and Answers are included in package.
- **All** Audio Guides are included **free** in package.
- **All** Study Guides are included **free** in package.
- **Lifetime** login access.
- Unlimited download, no account expiry, no hidden charges, just one time \$99 payment.
- **Free updates** for Lifetime.
- **Free Download Access** to All new exams added in future.
- Accurate answers with explanations (If applicable).
- Verified answers researched by industry experts.
- Study Material **updated** on regular basis.
- Questions, Answers and Study Guides are downloadable in **PDF** format.
- Audio Exams are downloadable in **MP3** format.
- **No authorization** code required to open exam.
- **Portable** anywhere.
- 100% success **Guarantee**.
- **Fast**, helpful support 24x7.
