

TT0-101

TIA

Convergence Technologies Professional

Visit: <http://www.pass4sureofficial.com/exams.asp?examcode=TT0-101>

Pass4sureofficial.com is a reputable IT certification examination guide, study guides and audio exam provider, we not only ensure that you pass your TT0-101 exam in first attempt, but also you can get a high score to acquire TIA certification.

If you use pass4sureofficial TT0-101 Certification questions and answers, you will experience actual TT0-101 exam questions/answers. We know exactly what is needed and have all the exam preparation material required to pass the exam. Our TIA exam prep covers over 95% of the questions and answers that may be appeared in your TT0-101 exam. Every point from pass4sure TT0-101 PDF, TT0-101 review will help you take TIA TT0-101 exam much easier and become TIA certified. All the Questions/Answers are taken from real exams.

Here's what you can expect from the Pass4sureOfficial TIA TT0-101 course:

- * Up-to-Date TIA TT0-101 questions taken from the real exam.
- * 100% correct TIA TT0-101 answers you simply can't find in other TT0-101 courses.
- * All of our tests are easy to download. Your file will be saved as a TT0-101 PDF.
- * TIA TT0-101 brain dump free content featuring the real TT0-101 test questions.

TIA TT0-101 certification exam is of core importance both in your Professional life and TIA certification path. With TIA certification you can get a good job easily in the market and get on your path for success. Professionals who passed TIA TT0-101 exam training are an absolute favorite in the industry. You will pass TIA TT0-101 certification test and career opportunities will be open for you.

Question: 1

A technician notices errors in a routing table. Which layer of the OSI model is associated with this situation?

- A. Network layer
- B. Session layer
- C. Transport layer
- D. Data link layer

Answer: A

Question: 2

Which layer of the OSI model is responsible for converting between ASCII and EBCDIC?

- A. Session layer
- B. Transport layer
- C. Application layer
- D. Presentation layer

Answer: D

Question: 3

Which of the following protocols is responsible for host-to-host communication services?

- A. IP
- B. TCP
- C. ARP
- D. SNMP

Answer: B

Question: 4

Which choice lists protocols that operate at the network layer of the OSI model?

- A. SIP and IPX
- B. SIP and H.323
- C. IP and IPX
- D. IP and H.323

Answer: C

Question: 5

Which of the following best describes the process of encapsulation?

- A. As data is processed by an application, special tags are added to mark the beginning of each block.
- B. As packets are received at a device, the low-level drivers add information indicating the source protocols.
- C. As data units are passed down the protocol stack, each layer adds information appropriate to the function of that layer.
- D. As each message is processed by a protocol on the transmitting end, the partner protocol on the receiving end builds an entry in the connection table.

Answer: C

Question: 6

Which choice shows the correct ordering of protocol data units, starting from the highest level (application layer) to the lowest level (physical layer)?

- A. Packet, frame, Data, bits
- B. Packet, data, frame, bits
- C. Data, segment, packet, frame
- D. Message, Segment, frame, packet

Answer: C

Question: 7

A customer wants to design an inexpensive LAN infrastructure so that the rest of the network is Not disrupted when a single cable is disconnected. Which physical topology is most appropriate for the customer to use?

- A Bus
- B. Star
- C. Ring
- D. Mesh

Answer: B

Question: 8

Which logical topology is implemented in an IEEE 802.5 network?

- A Bus
- B. Ring
- C. Star
- D. Partial mesh

Answer: B

Question: 9

A customer with 10 locations requests a proposal for a wide area network (WAN) network that will provide a redundant solution if one of the Telco connections fails. Which topology would best fill this request?

- A Star
- B. Mesh
- C. Ring
- D. Point-to-point

Answer: B

Question: 10

Under which of the following circumstances would a partial-mesh WAN topology be most appropriate?

- A. The customer has unlimited budget resources.
- B. The customer is using real time applications.
- C. The customer is using token ring LAN segments.
- D. The customer needs redundancy and reduced costs.

Answer: D

Question: 11

After two companies merge, their two networks need to be connected. Which of the following devices is most appropriate to connect the two networks?

- A. Router
- B. Switch
- C. Bridge
- D. NAT server

Answer: A

Question: 12

An existing network with 500 users and 25 servers is experiencing excessive broadcast traffic. Which of the following can be added to limit broadcasts?

- A. Router
- B. Switch
- C. Proxy server
- D. Traffic shaper

Answer: A

Question: 13

Which of the following devices maximizes the efficient utilization of LAN media?

- A. Hub
- B. Router
- C. Switch
- D. Bridge

Answer: C

Question: 14

A customer wants to implement real-time applications. Which of the following devices will allow Traffic segmentation and keep latency low?

- A. Hub
- B. Switch
- C. Router
- D. CSU/DSU

Answer: B

Question: 15

Which of the following protocols uses the Data Link Connection Identifier (DLCI)?

- A. PPP
- B. SONET
- C. 802.3
- D. Frame relay

Answer: D

Question: 16

Pass4SureOfficial.com Lifetime Membership Features;

- Pass4SureOfficial Lifetime Membership Package includes over **2500** Exams.
- **All** exams Questions and Answers are included in package.
- **All** Audio Guides are included **free** in package.
- **All** Study Guides are included **free** in package.
- **Lifetime** login access.
- Unlimited download, no account expiry, no hidden charges, just one time \$99 payment.
- **Free updates** for Lifetime.
- **Free Download Access** to All new exams added in future.
- Accurate answers with explanations (If applicable).
- Verified answers researched by industry experts.
- Study Material **updated** on regular basis.
- Questions, Answers and Study Guides are downloadable in **PDF** format.
- Audio Exams are downloadable in **MP3** format.
- **No authorization** code required to open exam.
- **Portable** anywhere.
- 100% success **Guarantee**.
- **Fast**, helpful support 24x7.
